

MAJESTIC LIBELED BUT LEAVES ON TRIP

A libel attaching the steamer Majestic and its officers was served last Tuesday by United States deputy marshals, based on a warrant sworn out by Gray Brothers Electrical company, who alleged that in May, 1919, owners of the Majestic hired the steamer to make electrical repairs on the ship. It was said that the bill, amounting to \$107.50, was never paid.

The Majestic was preparing to leave the dock with a party of visiting bankers on a short excursion trip, which was delayed about 20 minutes while a \$250 bond was made to the clerk of federal court.

The steamer is owned by the Majestic Excursion company of Quincy, Ill. After returning to Memphis the Majestic discharged the load of bankers and left for St. Louis, when it was found that the trip could be made without forfeiting the bond.

Five officers and about 30 enlisted men of headquarters company and Company I, and local national guard units, will leave next Monday for Camp Jackson, Columbia, S. C., to attend the four-day preparatory camp for the federalized national guardmen from all over the South. The camp will open Wednesday, May 13.

Regulation drills for the enlisted men, which will include a special training course for present and prospective non-commissioned officers as well as special courses in military training for officers, will be taken. The Memphis unit will entrain on a special Pullman.

Officers from this city now planning to make the trip are: Lieut. Col. Robert J. Moss, Maj. Wilson H. H. Moore, Capt. M. C. Parker, Capt. J. C. Cooper, battalion adjutant, Lieut. Langdon D. Bates, Company M, and Lieut. J. M. Rawlings, Company M. Twelve enlisted men from each Company L and M are permitted to attend the school, and about eight men will go from headquarters company. The latter will be selected this week.

The course at Camp Jackson will be preparatory to the summer encampment of the Tennessee guards at Knoxville the latter part of July.

To Drive Out Malaria and Build Up TASTELESS CHILL TONIC

Letters to all Boy Scouts and their parents, explaining the importance of sending their boys to the summer camp at Hardy, Ark., are being prepared by the local council. These letters will set forth all the conveniences of the camp and the protection offered the boys. It is expected that 100 boys will take advantage of the opportunity offered for a real camping experience.

All boys desiring to enroll are advised by John T. Morgan, chairman of the local camp committee, to go to the office and "avoid the rush." The camp is called Camp Kia Kima. Application blanks will be included in the letters sent out.

The Scouts' Drum and Bugle corps will march through the city streets on Wednesday in order to advertise the field day, which is to be held at the North Memphis Driving park Saturday.

CALOMEL LOSING OUT IN SOUTH

Mr. Dodson, the "Liver Tone" Man, Responsible for Change for the Better.

Every druggist in town has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place. Calomel is dangerous and people know it. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle doesn't cost very much, but if it fails to give relief in every case of liver sluggishness and constipation, just ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't grip or cause any uneasiness all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't use a day.
